

## Building Stronger Families through Tools, Resources, and Events

At **PowerMax Company**, we believe strong families are the foundation of strong communities. As a nonprofit organization, our mission is to empower families with the tools, support, and resources they need to thrive, together. With your support, we host **four impactful community events each year** that bring families together to learn, grow, and connect. These events are designed to inspire healthier relationships, build resilience, and help parents raise confident, capable children ready to take on the world.

**Together, we can build stronger families—and stronger communities.** Join us in our mission to make a lasting difference, one family at a time.

On June 30, 2018, we held our first Safety Awareness Community Event/Family Fun Day at Freedom High School in Woodbridge, VA. This event brings families together for a day of learning, fun, and connection. Guests enjoy live entertainment, moon bounces, face painting, free food, and more, all while learning valuable safety tips. Local agencies, including the Fire Department, Crime Prevention, and Emergency Management, provided resources like car seat checks, child ID services, and safety demonstrations. It is a fun, free event focused on building safer families and stronger communities.

**This year's event will be on June 6, 2026 at Merchant Park Dumfries VA.**

The first annual *This Christmas Talent Competition* brought together local performers with a shared purpose: to help families in need during the holiday season. Every act was performed in the spirit of giving, with a portion of the proceeds going toward Christmas gifts for children. Since then, the event has grown to include **20–30 contestants** and an audience of over **250-300 attendees** each year. On average, we're able to provide holiday gifts for **20 families**, each with two or more children. This heartwarming event is a celebration of talent, community, and the true meaning of Christmas—coming together to make a difference.

**This year's show will be on November 8, 2026, at Forest Park High School.**

### Upcoming

### Upcoming!

This year we have added the opportunity for a student in a Blended Family (a family consisting of a couple and their children from a previous relationship), who is in the 12th grade, to receive a scholarship for college. The candidate will have to provide a 500-word essay about their blended family. The candidates will submit their applications between April 1st – July 31<sup>st</sup>. The winner will be notified by August 15<sup>th</sup>.
